AUTOMOBILE RARITÄTEN

Description:

The Wiesmann MF28 Roadster was built by Wiesmann Motorenmanufaktur GmbH in Dülmen and is based on a **tubular steel spaceframe chassis with a fibreglass body**. Power comes from a proven **BMW straight-six engine** from the 328i range producing 193 hp, paired with a **5-speed manual gearbox**, also of Bavarian origin. At a weight of just around 1,080 kg, this combination delivers **thoroughly lively performance**. Only **47 examples of this specification** were built.

The car offered here presents in the **attractive colour combination** of Dark Blue metallic with an interior in Dark Grey with dark blue details. It is with its **third owner** and is **accident-free**. **Ongoing servicing is documented in the original service book**. The car shows a documented and traceable mileage of 99,880 km.

A well-maintained, rare roadster with documented history and an attractive colour combination – ideal for enthusiasts of German manufacture quality combined with proven BMW engineering.
