Description:

Whether the Panamera, Panamera Executive or Panamera Sport Turismo, the silhouette and proportions are unmistakably typical for Porsche - athletic, taut, with clear light edges and powerful muscles. The long wheelbase, the shorter overhang at the front and the longer one at the rear already creates visual dynamism. Combining sportiness and comfort, the GTS models offer the perfect everyday option for every car enthusiast. The vehicle presented here was delivered in October 2021 and offers a great opportunity to acquire one of the highly asked Porsche Panamera GTS Sport Turismo with almost all optional equipment in an attractive color combination and an outstanding condition.

Engine:

V8-Biturbo, 3.996 cm³, 480 PS
