Description:

The Devaux Coupé was developed by **Devaux Cars Pty. Ltd. in Australia** and only produced in a small edition. The design was created by the industrial designer **David J. Clash**. Inspired by the style of the **French 1930s**, the coupé combines design elements from some of the most beautiful models in automotive history – such as the **Bugatti 57 SC Atlantic, the Alfa Romeo 8C 2900 B Lungo or the Bentley 4 1/4 litre Streamliner**. The Devaux combines **stylish design, sophistication** and comfort with **performance** and **outstanding driving performance**.

The Devaux offered here is the 7th vehicle ever built and the only one sold by the manufacturer to Europe. The car was **delivered in Hamburg** and received an **German registration**. This is a unique opportunity to purchase a **left-hand drive** Devaux Coupé with a mileage of **just 3,288km** in a condition **“as new”**.
