Description:

The 356 B Coupé presented here is a late version that was already fitted with the T6 body (Type C). The vehicle was originally delivered to the USA and returned to Germany in 2013. It is an exceptionally well-preserved example that impresses with its very attractive condition and excellent bodywork. According to the certificate provided by the body manufacturer "Reutter", the paintwork in the colour bali blue corresponds to the delivery. The stamped engine number corresponds to the delivery specifications. A comprehensive service has just been carried out in a workshop specialized in Porsche 356s.
