Description:

A total of 3,350 Jaguar XK 140 OTSs were produced between 1954 and 1957. According to available documents, this XK 140 was first delivered in New York in March 1956. An original vehicle registration document from the USA is available. Over time, the car returned to Europe and was **completely restored "frame-off"** over several years under the direction of a Jaguar enthusiast. The restoration work is extensively **documented by photos and invoices**. Since restoration, the car has been driven **approx. 1,000 km**.

The vehicle impresses with its outstanding condition and beautiful, elegant colour combination. A Jaguar Heritage certificate is available.
