## Description:

The Ferrari 599 GTB Fiorano combines powerful driving pleasure with comfortable and safe performance. The vehicle accelerates from 0 to 100 km/h in just 3.7 seconds, takes less than 10 seconds to reach 200 km/h and achieves a top speed of 330 km/h. Thanks to the "F1 SuperFast" gearbox, gear changes can be completed in less than 0.1 seconds. (Factory specifications)

The vehicle was named after Ferrari's home racetrack "Fiorano", where Ferrari tests and develops its road and racing cars.

Overall, the Ferrari 599 GTB Fiorano embodies the perfect combination of performance, technology and elegance - a truly impressive vehicle!

This Ferrari 599 GTB Fiorano F1 was **delivered in Hamburg** and is **still in the hands of its first owner today**. With a total mileage of **just 11,582 km**, the vehicle is in superb condition - accident-free and still in its original paintwork. **The elegant colour combination** also makes this car an interesting investment for the future.
