- Air condition

Description:

The Porsche 911 SC Targa from 1982 was a remarkable new edition of the legendary 911 model that was produced in the 1970s and 1980s.

The vehicle presented here was delivered to the USA in 1982 and, according to available documents, returned to Germany in 2014. The **low total mileage** of just **108,197 km** is comprehensible according to **Carfax information**. The speedometer was converted from miles to kilometres. An **extensive invoice documentation** is available.

A good opportunity to acquire this popular classic in a **very well-preserved original condition** at an **attractive price**.
