THIESEN
AUTOMOBILE RARITÄTEN

Description:

The Ferrari 250 GT Berlinetta Lusso is regarded as one of the most beautiful and well-proportioned Pininfarina creations based on the legendary Ferrari 250 GT. As a classic high-performance Grand Tourisme, they combined performance and speed with the highest level of contemporary elegance and comfort.

The vehicle presented here is an early edition of the small series of only 350 examples. The car was completed in May 1963 by "Carrozzeria Scaglietti" as the 31st vehicle. The first delivery was made to Count Vittorio Zanon from Rome. In August 1967 the vehicle was sold to **Peter Gabriel** from New York, USA and remained in his possession **for 44 years**. The car returned to Europe in March 2011 in **almost untouched original condition** with a **total mileage of just 84,000 km**. The car was then fully restored at **well-known marqué expert "Brandoli"** in Italy according to the available photo documentation. The vehicle has been **certified by Ferrari**. A **Marcel Massini report** comes with the car.

Engine:

12-cylinder, 2,953 ccm, 250 hp, 4-speed gearbox
