Description:

Porsche speaks of the 'most perfect sports car ever'. Extremely sporty, yet comfortable and fully suitable for everyday use. With 650 hp in the Turbo S version, the now seventh Turbo generation is the most powerful 911 in the 992 series.

The **Porsche 992 Turbo S Cabriolet** offered here was delivered to its current owner on **18 April 2024** via the **Porsche branch in Hamburg**, Germany, and has a mileage of just **4,274 km**. The vehicle offered here is in **mint condition, without any repainting**. This high-performance Turbo S impresses with its **appealing colour combination and extensive equipment**.

Engine: 6-cylinder boxer engine, 800Nm, 650PS, 3745 cc (factory specifications)
