AUTOMOBILE RARITÄTEN

Description:

The Fiat 500 Jollycar interprets the fascination of the legendary “Spiaggina” models of the 1950s in a contemporary form. Its unmistakable design and lovingly crafted details bring the flair of the Italian coastal roads back to life. Based on the Fiat 500 Saloon, this special model was lovingly converted by Italian specialists. The seats, made from a sturdy steel frame and with rattan weaving, emphasize the maritime character, which is skilfully rounded off by stylish wood and chrome details.

This exclusive special model comes from a limited production run of **just 500 units** and is presented in **timeless white colour**. The vehicle offers a rare opportunity to acquire a reference to the legendary beach cars of the 1950s with modern technology.

The **low mileage** and the well-kept overall impression make this special model a real fun vehicle for the Cote d'Azur.

Engine: 1,2 Litre 4-zylinder
