Description:

The Mercedes-Benz 560 SEC (C 126) is the flagship model of the S-Class Coupés from the W126 series and was produced from 1985 to 1991. Under the hood works the powerful V8 engine M 117 E 56, which combines impressive performance with refined smoothness. The coupé impresses with its elegant lines, which are still regarded today as one of the most successful S-Class designs.

The vehicle offered here was first delivered in Japan – an important market for Mercedes-Benz, especially for the top models of the S-Class Coupés.

The **included owner's manual and service booklet** document the history and the **mileage of only 92,000 km**. The car presents itself as a **well-kept original** with only minor signs of use consistent with its age. The vehicle comes **with German registration**. An attractive 560 SEC in **authentic original condition** – ideal for collectors and enthusiasts of classic Mercedes-Benz coupés.

Engine: 5.5-litre V8 engine, 205 kW (279 hp)
