Description:

The Ferrari GTC4 Lusso is the evolution of the FF and impressively combines a powerful naturally aspirated V12 engine with all-wheel drive, four seats, and elegant design. With 690 hp, active rear-wheel steering, and long-distance capability, the GTC4 Lusso offers an exceptionally versatile driving experience – from dynamic coupé to comfortable grand tourer.

This vehicle comes from first ownership and is presented in the elegant color combination Blu Pozzi with a full leather interior in Cuoio. The service history is fully documented, with the most recent service carried out in November 2024 at 17,397 km.

Technically and visually, the vehicle is in excellent overall condition – a V12 Ferrari with clear provenance, appealing configuration, and impressive performance.
