Description:

The Wiesmann GT MF5 is one of the most powerful and exclusive models produced by the Dülmen-Germany-based manufacturer. The **limited “20th Anniversary Edition”, restricted to just 20 vehicles**, combines handcrafted bodywork with the high-revving **V10 from the BMW M5** – a homage to classic GT design paired with uncompromising performance.

This right-hand drive example of the **“20th Anniversary Edition”** was delivered new in 2011 to its first German owner and changed hands only once in 2015. The vehicle remains in immaculate **collectors condition**, is completely and shows a **mileage of only 557 km**. A **comprehensive service was carried out** at a cost of approx. €4,000. The car is offered with original documentation, service booklet, keys, and a detailed specification brochure.

This Wiesmann combines German coachbuilding craftsmanship with proven BMW technology, offering collectors and enthusiasts a rare opportunity to acquire a virtually as-new example of this limited edition series.
