## Description:

The Bentley Arnage Red Label combines British nobility with powerful performance. Its 6.75-liter V8 turbo engine embodies effortless authority, while luxurious details such as fine Burr Walnut wood and the highest-grade leather promise supreme comfort. As a representative of classic Bentley virtues, it offers a stylish presence with discreet understatement. Exceptional craftsmanship and a unique driving experience make it a sought-after classic for connoisseurs who appreciate British engineering and elegant luxury in equal measure.

According to the available documentation, this Bentley Arnage Red Label was delivered new in 2001 by Bentley Vienna to its first owner in Austria. Several years ago, the car came to Germany, where it changed hands once – making it a total of three owners to date. With a **mileage of 142,000 km**, valid technical inspection (TÜV) until 07/2026, and **regular maintenance**, the Arnage presents itself in **very well-preserved original condition**. The special “Verdant” paintwork, numerous factory options, and an original price of around €255,000 emphasize the distinctive character of this British luxury classic.
