- Heated seats front and rear

- Folding picnic tables in the rear
- Navigation system
- Park Distance Control
- Cruise control
- and much more

Description:

The **Bentley Arnage T** is the **most powerful and sportiest model** of the Arnage series and was positioned as the **flagship model** at the time. It differs in several respects from the Arnage R, Arnage Green Label, and Arnage Red Label. The Arnage T represented the most powerful production model of the range and combined the **legendary 6.75-liter twin-turbocharged V8 engine** with a significantly sportier chassis setup as well as exclusive Mulliner equipment details. As a result, this model brings together impressive performance reserves with the luxurious long-distance comfort typical of Bentley. The Bentley Arnage T offered here was first registered in Belgium on July 28, 2004. Featuring its **exclusive Mulliner specification**, the vehicle stands out with an attractive color combination and is offered at **a fraction of its original list price of approximately €275,000**. With a mileage of **only 138,914 kilometres**, this luxury sedan presents itself in **a very well-maintained condition**. The vehicle history is **extensively documented**, and the corresponding records are available. A **comprehensive wax preservation treatment** carried out by the current owner further underlines the excellent state of care of this impressive Bentley.

Engine: 6,75-Liter V8-Biturbo engine 6.761 ccm, 457 hp (factory data)
