### Description:

The Porsche 997, produced from 2004 to 2012, represents the sixth generation of the legendary 911 and stands out with the return to the classic round headlights. As a Carrera 4 Cabriolet, it combines sporty performance with open-top driving pleasure and all-wheel drive. The water-cooled six-cylinder boxer engine delivers impressive performance. Thanks to its well-balanced mix of everyday usability and sportiness, the 997 is considered one of the most desirable modern 911 models.

This 997 Carrera 4 Cabriolet features an attractive colour combination in the rare special shade grey-black, along with a high-quality full leather interior in black. The vehicle is from first ownership and was originally delivered in Germany. With a mileage of **only 83,593 km**, it is in **well-maintained condition**. A **hardtop is included**. The **documented service and ownership history** is supported by the original purchase invoice, complete onboard folder including service book, and additional invoices. A **major service was recently carried** out at a certified Porsche specialist workshop.

**Engine:** 6-cylinder 3,6 ccm, 345 hp
