Description:

The Mercedes-Benz G-Class (W463) is renowned for its iconic design and outstanding off-road capabilities. As a G 500, it combines a powerful 5.5-liter V8 engine with permanent all-wheel drive and excellent everyday usability. The robust ladder-frame construction and differential locks ensure confident performance on any terrain. At the same time, the G-Class offers a high level of comfort and premium craftsmanship. This model successfully merges off-road capability with luxury, making it one of the most sought-after SUVs worldwide.

The vehicle offered here is a very well-maintained example with **only 90.400 km mileage**. It features **extensive optional equipment** and a thoroughly documented history, including original order documents, service book, and invoices. A unique opportunity to acquire one of the very rare short-wheelbase G 500 models in the **highly desirable final version**, presented in **collector's condition!**

Engine: V8 cylinder, 5.461 ccm, 388 hp
