### **Description:**

The Porsche 356 C is considered one of the most sought-after classic models of the Porsche brand and is regarded as the final and most refined representative of the legendary 356 series. The SC version in particular impresses with its powerful 95 hp boxer engine and offers an exceptionally direct driving experience combined with timeless, elegant design. Thanks to its compact dimensions, characteristic lines, and outstanding build quality, the Porsche 356 continues to enjoy cult status among collectors and enthusiasts worldwide.

The vehicle offered here was first registered in January 1964 and is presented in an attractive color combination of black exterior paint and beige leather interior. The Porsche has been extensively partially restored. A **photographic documentation of the work carried out**, a current valuation appraisal, and **extensive invoice documentation** are available. The vehicle comes with German registration.

**Engine:** Air-cooled 4-cylinder boxer engine, 1,582 cc, ca. 70 kW (95 hp)
