AUTOMOBILE RARITÄTEN

The ATL Company (Autotecnico del Lario) was founded by Ercole Zuccoli in 1969 and the built very rare, often One-Off or limited cars with alloy bodies on Alfa Romeo, Lancia and Maserati platforms till 1976.

This spectacular Alfa Romeo 1900 Speciale was built by ATL between 1969 and 1976 (5 are known) in Mandello at Lake Como in Italy. A 1900 Sedan from 1953 has delivered all technical parts and chassis number and papers match to this car. Currently registered in the UK.
