Description:

Produced from 2004 to 2012, the Porsche 997 represents the sixth generation of the legendary 911, combining classic Porsche design with modern technology. In **Carrera 4 Coupé** form, it pairs the timeless 911 silhouette with sporty driving dynamics and assured all-wheel drive. Its water-cooled flat-six engine delivers the characteristic Porsche power delivery. With its balanced blend of everyday usability, comfort and sporting performance, the 997 is regarded as one of the most desirable modern 911s.

This 997 Carrera 4 stands out for its **exceptionally extensive specification, featuring numerous bespoke details**, complemented by a high-quality **Sea Blue leather interior**. Delivered new in Germany, the car has had **three owners from new**. Its **first owner owned the car for almost two decades**, from first registration until 2023. With just **45,133 km**, the vehicle is presented in **exceptionally well-preserved collector condition**. Its **documented service and ownership history** is supported by the original sales invoice, the owner's book pack including the service book, and additional invoices. A **comprehensive service** was **recently completed by a Porsche specialist workshop**.

Engine: 6-cyl.-Boxerengine, 254 kW / 345 hp
