THIESEN
AUTOMOBILE RARITÄTEN

Description:

The BMW Z8 was presented at the 1999 IAA. 5703 exemplars were built between March 2000 and July 2003. The Roadster was voted as "Classic of the Future" by the readers of the German "Motor Klassik" in 2003 in the category "Open Cars".

In 2001 this BMW Z8 was delivered in Germany via the BMW dealership in Leipzig and **only has 3 previous owners**. The car has a total mileage of **only 44.500 km**, is in **excellent condition** and had **no accidents!** The **original service booklet** including the **production book with brochure** and the corresponding **miniature Z8** and **3 car keys** are available.

A beautiful exemplar with high classic potential in which not only James Bond in "The world is not enough" in 1999 thrilled the audience.

Equipment:

6-speed manual gearbox, airbags, alarm, ABS, air condition, electr. steering length adjustment, radio with CD changer, hands-free, alloy wheels, xenon light, hardtop, etc.

Engine:

5,0-litre-V8-engine with two overhead camshafts, 400 hp, V-max. 250 km/h (fact. spec.)
